Hornet Cup Day Camp is for students entering grades 3 through 6 in the fall. Campers will be organized based on their upcoming grade (3/4 and 5/6). Each camper will be assigned a grade level squad and a coach for the day. Our staff coaches are current members of the WHS Boys and Girls Soccer Teams who are enthusiastic about soccer and providing a positive soccer experience for your child.

Each morning campers will receive instruction and practice in the basic skills and principles of soccer. These essentials will then be further developed in small-sided games, which will provide players an opportunity to apply what they have learned.

“Campers” will be accepted until the camp roster is full. A waiting list will follow. **Register today if interested!**
