**PACKER PARK POOL**

Pool Phone #: 570.724.3650

Packer Park main pool is undergoing an assessment for the purpose of exploring the possibility of renovating the pool at its existing location. The preliminary findings indicate the concrete of the bowl has maintained its integrity which supports the desired direction of pool renovation. In the interim, the main pool at Packer Park will be open for the 2024 summer season, however the wading pool and the diving board / deepest section of the main pool will not be available for public swim. In addition, this will be the last summer that Packer Park Pool will be open until renovations can be completed, bringing some much needed updates to the facility. No time frame has been established for renovations.
