WELLSBORO SUMMER SWIM TEAM

www.wellsboro.swimtopia.com

Utilizing the Decker Pool at the Mansfield Campus of Commonwealth University as this year's base of operations, the Wellsboro Swim Team, a competitive yet family-friendly program, is open to all children ages 5 to 18 in the Northern Tier. The only requirement is that each swimmer be capable of swimming continuously for 25 yards (one length of the pool). We encourage any child with the desire to become a better, stronger, and a more confident swimmer to join our team. Our Coaching staff is comprised of former and current competitive swimmers who provide individual development in competitive swimming skills, sportsmanship, and team spirit. Practice schedules are flexible with day & evening times offered to match families' busy schedules. Team Practice begins June 8, at Decker Pool (Commonwealth University of PA - Mansfield). Dual Meets begin in late June and are held on Wednesdays or Saturdays. The entire season (start to finish) is completed in 7 weeks. All 5 of our 2026 Swim meets will be "away", with the Greater Susquehanna Valley Aquatics League Championship Meet concluding the season in Williamsport on Saturday, July 25th.

Every child participates and competes at every swim meet. It's a great activity for keeping in shape and building confidence!
